DIANE

SIAN

Friends of Hythe Primary (PTA) runs regular fundraising and social events for the children at Hythe Primary School and their families to enjoy, to provide educational opportunities for pupils and to make improvements to the school for the children to enjoy.

By hosting events for both the school and wider community, we're opening up the supporter base for the school. We partner up with community organisations and businesses through sponsorships, discounts, donations and volunteering.

Last year with the support of parents and the community, the PTA raised a total of £8000 to enhance the education and experience of all the children at Hythe Primary School.

Our PTA is run by parents and staff and is a great way to get to know people and an opportunity to make friends.

We would love to hear your thoughts on how we can improve your PTA experience please contact us by email at pta.hytheprimary@hotmail.com
