

School Council business.

Movie night - money raised £603.

Council grant -£1000

All money for outside calm area

Suggestions- egg chairs, calm down toys, parasol

possibly ask Mr Mansbridge if he could help to move them

maybe garden sofas, ask parents for help

should we have cards to use calm down area? Discuss with Miss Peppard

Lois Wellman (chair of PTA) attended our meeting today.

Which events do you enjoy throughout the year?

Discos-all enjoyed, could try a silent disco?

Christmas Fayre-too many raffles, would like more games with prizes, parents say it's too expensive.

Summer fayre- more sport activities, always crowded, maybe ks1 go out at 3 so it's not so crowded, ice cream queues too long, have more than one scattered around, win every time tombola, year R grass area could be used for mini golf.

Wonka bars-everyone have a prize, different types of chocolate to be a prize, more than one ticket in each bar, change price to less than £2

Fireworks-more options than glow. Sell sweets. Suggest silent fireworks for the animals and people who don't like noise. Loan ear defenders.

Easter egg raffle-maybe an Easter fayre, Easter egg hunt after school.

Christmas fire engine has given us £600.

What could we spend it on?

- another bench for sandwiches
- school trips
- barriers on playground to separate football games
- future events-gaming night

Councillors to give survey to their class to ask about how to spend the money and possible events.

Mrs Ison to send Lois a picture of the stones seats.
