

## Welcome to Hythe Primary School!

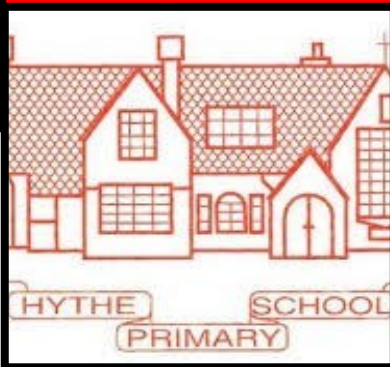

Our school is a welcoming, inclusive, safe environment where children learn and grow together.

We are extremely proud of the great relationships between all members of our school community and look forward to greeting new members.

Our aim is to enable all pupils to be excited and inspired by learning, enjoying and progressing well through the primary phase, so they are ready to embrace learning opportunities throughout the rest of their lives.

We hope you will come to visit us soon.

Miss C Peppard  
Headteacher
