SUMMER TERM

No 18 — 8.7.2026

**SCHOOL
MEMBER**

A message from Miss Peppard

This is usually the newsletter we share the initial outcomes for our y6 pupils, however, this year their results have been delayed until 16th July! Irrelevant of those results, I would still like to take this opportunity to say a huge congratulations to our year6 pupils who are having a great summer term. The production is coming on really well and their enterprise sale was a huge success!

Big congratulations too to our younger children in year R who will graduate the Early Years Foundation Stage - they have had a fabulous year and built strong foundations for moving on to KS1.

This year sees exciting changes for Mrs Perry and Mrs Burgess too as they embark on slightly different roles in school come September. Mrs Perry will spend the year teaching children from Year R to Year 6 across the curriculum, and Mrs Burgess will be covering Mrs Lowe's maternity leave in year 5/6. I am very grateful for their continued commitment to Hythe Primary School!

Private Tutoring available

One of our teachers is offering after school tutoring for any Year 1-6 children that may need it. If any parents are interested in taking this up, please contact the school office for costing and availability.

Enterprise

Thank you to all the parents and children who supported the Year 6 with their enterprise sale.

It was a close battle for the top group but by a small margin the Supercharged 6 were the winners making the most profit against their overall costs.

Well done to all the groups, you all did amazingly!

New menu's will be sent out to parents next week and a paper copy will be available

Sports News

Summer term wraps up another excellent year of sports for us. As ever, our Sports Day event was enjoyed by children from across the school. Whether it was practice or the day itself, all children smiled as they raced and cheered and sang for their houses, classmates, friends and anyone who needed an extra push. We were so proud of the resilience of every child. Children will find out the overall winners on Friday in celebration assembly. There are also big congratulations to Max (Boys), Tia and Lexi (joint Girls) in Year 6 for winning the now annual and much anticipated "Mrs Burgess Fastest Year 6 Championship."

Away from Sports Day, there have been some unfortunate cancellations due to the weather. However we have managed to attend some athletics events, taking teams to Testwood for KS1 and 3/4 Quad Kids, and a 5/6 team to Southampton Sports Centre for the New Forest Championships. All children performed brilliantly, with a special mention to Max in Year 6 who took bronze in the Boys sprint to become the third fastest in the New Forest!

I would like to say a final thank you to all children who have been a member of a club or represented the school in an event this year, and to any parents who have helped with lifts or organising second teams.

Goodbye and good luck

This is the final newsletter of the school year. We would all like to wish you a wonderful Summer break and we will see most of you in September.

Good luck to all our year 6 children. Have a wonderful time in your new secondary schools. We hope you will pop back to see us from time to time.
