

The Friends of Hythe Primary

NEWSLETTER

September 2026

WHAT'S NEW

Welcome to the first Friends of Hythe newsletter of the school year.

We are eager to share our plans and hope you'll join us in making this year a memorable one. Our team has been hard at work organising various activities that promise fun for the whole family, while supporting our school community.

For the newcomers, we are a combination of parents, caregivers, and staff, who organise a number of events throughout the year. We raise money to fund activities and resources for the children, enhancing their learning while at Hythe Primary School.

The Friends' Hub is situated in the main playground, where we sell our event tickets and pre-loved uniform.

To keep everyone in the loop, we email regular newsletters and our Facebook page at Friends of Hythe Primary School News is updated with our progress, upcoming events, and ways you can help. Your support and involvement are crucial to our success, and we appreciate every bit of help, whether it's volunteering your time, donating items, or simply attending and enjoying our events.

Introducing you to Zeffy!

From discos to fundraisers, you can now secure your child's place online in just a few clicks. QR codes and email links will be provided for each event. On checkout please note: help keep Zeffy free is optional - change % to other and add 0 in the contribution box.

Last year, we raised over £10,000 for the school, which went towards items such as the Year R play area, benches, and the Christmas pantomime, and we hope to reach the same amount again this year to go towards our play trail campaign. Together, we can make a significant impact and create lasting memories for our children.

Thank you for being a part of the Friends of Hythe community. Here's to a fantastic year ahead!

COINS 4 CASH

Got some spare coins rattling around? Maybe some leftover holiday money? We will be collecting old and foreign coins and banknotes. Drop them into the office by Monday 28th September.
