

## **ACCESS POINTS AND CAR PARKING**

The pupil and pedestrian access points to the school are in School Road by the railway crossing and at the back of the Community Centre, accessed via the Jones Lane car park.

**The school does not provide any facilities for parking, however, we do have two disabled bays for use by registered disabled persons only.**

All parents must park in the Library car park or the Jones Lane car park and access the school as detailed above. School Road itself does have yellow zig-zag lines and regular patrols by the traffic wardens. Stopping and parking outside of the school is illegal and extremely hazardous for your children. We do promote trying to walk to school.

At the beginning and the end of the school day the pupil entrances will be unlocked and parents should proceed to the Foundation Stage playground and wait with or for their children. If you need to go to the school office please proceed to the main entrance.

At all other times the access point gates will be locked for security reasons. If you need to come into school for an appointment or to pick your child up, please proceed to the office via the pupil entrance on School Road and follow the signs around the building to the reception security door. Press the buzzer once then wait for the green light to appear before pulling the door towards you.

We do have a 'Parkwise Promise' voucher scheme where parents can collect a voucher to place in their windscreen. This gives you free parking at the beginning and the end of every day during term times. These are given out termly to parents who request them.

Yours co-operation with this will be greatly appreciated.
